## People Who Work Indoors With Their Hands

Seamstresses, watch-makers, artists, draughtsmen, and many others, cannot properly handle their tools with cold, stiff hands. Many a lost hour or two on cold winter mornings results from the delayed heat of furnace or stove.

The Perfection Oil Heater in a few minutes gives the temperature that assures the worker warm hands and pliable muscles. The

SMOKELESS  
OIL HEATER  
Absolutely smokeless and odorless

quickly gives heat, and with one filling of the font burns steadily for nine hours, without smoke or smell. Has automatic-flame spreader which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so the wick can be quickly cleaned.

It has a damper top and a cool handle. Indicator always shows the amount of oil in the font. The filler-cap does not need to be screwed down; it is put in like a cork in a bottle, and is attached to the font by a chain, and cannot get lost.

The burner body or gallery cannot become wedged, because of a new device in construction, and consequently, it can always be easily unscrewed in an instant for reworking. The Perfection is finished in Japan or nickel, is strong, durable, well-made, built for service, and yet light and ornamental.

## When Buying Fuel

The consumer must always figure on the actual amount of heat and comfort that is got for the money spent.

We believe that our connections of long standing, coupled with the large amount of fuel that we buy, make it possible for us to sell the very highest grades of Coal and Wood at prices that are cheapest to the consumer. A trial order of our Coal and Wood, or an opinion from some of our satisfied customers, will prove that our idea of putting quality first is correct.

## BLACKMAILERS ARRESTED.

Lured to a handsomely appointed apartment in the fashionable Cairo, in Washington, by a pretty seventeen-year-old girl, attacked by her husband, tied to a chair, and ordered to deliver \$5,000, under penalty of instant death, Harry Rosenthal, a member of the firm of Rosenthal & Levy, dealers in sporting goods, in Washington, escaped from the trap and gave the police information which resulted yesterday afternoon in the capture of James B. Knott, the woman's husband. The plotters obtained photographs of Rosenthal and the girl while together in the apartments.

Knott, who is twenty years old, was arrested when he appeared at Rosenthal's store, at 603-605 D street northwest, shortly after noon yesterday to receive the money the merchant had promised to pay.

Section 819 of Chapter XI, of the Code of the District of Columbia provides that whoever shall be found guilty of blackmail shall be imprisoned for not more than five years, or be fined not more than \$1,000, or both.

The peculiar properties of Chamberlain's Cough Remedy have been thoroughly tested during epidemics of influenza, and when it was taken in time we have not heard of a single case of pneumonia. Sold by W. F. Creighton and Richard Gibson.

Laughing heartily at the joke of a friend, Albert Sommer, aged 68 years, gasped and sank to the ground in La Crosse, Wis., yesterday. He died a few hours later. Physicians say the strain of laughing induced paralysis.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlain's Cough Remedy, as it not only cures influenza, but counteracts any tendency of the disease towards pneumonia. Sold by W. F. Creighton and Richard Gibson.
